### Evan Higgins

There once was a boy who was in his last year of school. He was remembering about all the fun times with the crew you know who you are. All the hours on Kevin's porch and the walks from Alex's basement to the White Pen. The best known phrase was "what do you want to do." The laughing trip to the mall. X marks the spot on everyone's treasure map. Riding in the green car was a thrill ride and a half. Some day he will find her shiny bracelet because he likes it more than she does. IF he could give the S to his mullet he would. He loves it more

than the birds in the sky. Everything had to be hardcore. The pods of doom made the costume party come alive. He thanks the crew and if he could he would give the whole world to them.

### Seraphine Kelley, "Serah"

As I look at the students around me, I realize they will show me more than any teacher could. I want to thank the kids in this school for being selfish, self-centered and mean. I also want to thank them for showing me that people grow up, and the best teacher is the one that teaches you to forgive. Of course there are those girls I've loved like my sister since the day I met them, and the girls I learned to love.

Shannon and Lindsey, no matter how we grow apart in the future, my best memories are with you. Sky, you rock on, okay? J.C., S.E., J.S.,

J.M., H.L., L.P., A.J., K.M., A.S., C.F., B.E., all the people I have bonded with, and may or may not still be with. Of course, I gotta say "hi" to awesome Justin, all your help and support, I love you bunches. Mabi-Joanna forever baby ☺

# A Memorable Goodbye

The time for our graduation has come. It is difficult to understand how seventeen or eighteen years of our lives have come and gone so quickly. While we may see this as the end it is only the beginning. In time we may get married, have children, and eventually retire in our old age. To say the least we still have a long way to go. But no matter where we go or who we become, everyone will remember the good (and bad) memories from high school. It sounds far away now but our five year reunion will come fast. It will be nice to see how our friends and classmates have turned out. May we all be able to live our dreams and conquer our goals. Take advantage of everything, but do not take things for granted. Whichever path you choose, give 100% and love what you do. Take your time in life and love it for the journey, not the destination. Always remember to have fun with whatever you do. And lastly, never forget that we are the Harwich High School Class of 2002.

**Robert Krol**  
Principal

**To the Seniors:** You entered your senior year and on September 11<sup>th</sup>, the second day of classes, were forever influenced by the events in New York City and Washington D.C. While sitting together in the Library Media Center you watched an event unfold that you will always remember, and will shape who you become.

As a result of this day, you enter a new world – a world where you will remember to honor everyday heroes. You will value the work done by members of the police and fire departments and the postal workers. You see the example set by the volunteers and laborers who work in the rubble of the Trade Center and will value the work done by all volunteers who contribute to helping others. The war on terrorism will feature the everyday sacrifice of our military and the Stars and Stripes will wave proudly.

Throughout the year you have expressed your patriotism and caring for others. You sang the National Anthem at the conclusion of our first school dance. You sang stirring patriotic songs at our pep rally. You raised money and conducted a blood drive for the Red Cross. You gave your time and energy to help fill our town food pantry. Through this involvement, you demonstrated your ability and compassion in meeting the challenges of today.

You have shown that you are ready to invent your tomorrow. Imagine the Possibilities! On behalf of the entire staff of Harwich High School, I wish you a life of caring and happiness. *Mr. Krol*

Tom Leach and crew Shawna O'loughlin are movin along on the downwind leg of the race.

Practice time for the sailing team at Pleasant Bay. The team uses the Chatham Yacht Club for its home base and uses their boats. The boats are called 420's.

The Harwich High School Sailing Team completed its most successful campaign yet in the spring of 2001. Led by Captains

Jamie Scarbrough and Tom Leach, the team finished with an 11-5 team race record. The team also placed second at the Massachusetts State Championships, and first at the FIGAWI Invitational and the Cape and Islands Invitational. This year, with a corps of senior veterans in Leach, Scarbrough, Bryan Knowles and Scott Penfield, the team figures to be one of the top teams in New England, and hopes to compete at the New England Championships for a spot in the nationals. This is definitely a team to watch.

# PLAYING THE FIELD

The 2001 Softball Team had an impressive 2nd place finish in the highly competitive C & I League. Their 13-5 record qualified them for a 7th place seeding in the State Tournament. The team was led by captains and league all-stars, Andrea Chute and Alison Toner.

Sophomore standout, Nicole Leete, pitched every game and all-star catcher, Diane Piersall, anchored the defense.

Varsity Baseball had one of the finest seasons in years. 19-1 overall and 7-1 for the Cape and Islands league championship. We won 17 straight to become the south sectional finalists in the MIAA tourney. Led by captains Keith Clark, Mike Crowell, and Tim Marcella, a very talented group of seniors and sophomores put on a display of excellence both defensively and offensively. This team constantly exhibited the maturity, motivation, and confidence of a champion. Key wins over Martha's Vineyard, Nauset, and, in particular Norton established this team as the number 3 seed in the tourney, and the team to beat in the state. Along with the captains we will surely miss

Congratulations to the JV baseball team for their winning record and successful season. This team developed a winning attitude and displayed great sportsmanship and class throughout the season, especially when challenged. With exciting wins over Nauset and Old Rochester, the JV Baseball team had terrific pitching, defense and timely hitting. With every player contributing, this team picked each other up and played aggressive 'National League style ball' with lots of running, bunting, and new found pitching skills.

# GOING THE DIST

Despite small numbers the boys and girls cross country team performed creditably during their first year in the South Shore League. Led by captains Eric Burgess and Caitlin Bates, substantial improvement was made. The top performances of the season came during the league meet as Eric Burgess finished 2nd, Caitlin Bates 11th, Sean Thibert and Sam Steen placed 2nd and 4th respectively in the JV race. Eric and Caitlin were named League All Stars. In the state meet Eric Burgess lived up to his reputation as a top runner statewide by qualifying for the All State meet. The team would like to thank Mr Rose, Mr. Krol, Mrs. Girolamo, and the parents for their support this season.

**Coach:** Mr. McIntyre **Back Row:** Keri Johnson, Diane Piersall, Amanda Chilaka, Tammy Caplice, Jenn Sharp, Stacey Driscoll, Addie O'Connor, Katelyn Whelan, Zoe Jenkins **Coach:** Mr. Dickson

**Front Row:** Ashley Burns, Heather Mallory, Danielle Nixon, Shelby Sylvia, Ashley Taylor, Emily Jenkins, Ashley Cook, Danielle Pitera, Courtney Chin, Alexandra White, Stephanie Maker, Elizabeth Dickinson.

The Harwich High Girls' Soccer Team entered our tough new league as a new team, having graduated 12 players last year. Behind the leadership of Captains Tammy Caplice and Jenn Sharp, the team worked extremely hard to be able to compete at this level, and the results showed. Every opponent faced an improved Harwich squad, especially in the second half of the season, which featured close games with several wins and ties. The highlight was a come-from-behind 4-2 victory over highly-ranked Mashpee. Diane Piersall was the team's standout in net, and was named a South Shore League All-Star. Congratulations to seniors Caplice, Sharp, Piersall, Stacey Driscoll, and Amanda Chilaka for their outstanding careers at HHS. They will be missed, but the number of talented underclassmen on the team indicates a bright future.

Mr. Dickson

Varsity Boys Soccer capped off an outstanding season losing only 1-0 to last year's Div. III state champions, Medway, in the MIAA state tournament. The Rough Riders came on strong, losing only two games in our last 12, finishing 10-7-5 overall, 4<sup>th</sup> place, our first year in the very tough South Shore League. It was a season where we played every team tough. Keys to our season were winning 3 games on the islands, tying a very tough Norwell team (defending south sectional finalist), and challenging the very best teams in the state. It was our first year returning to the tournament since the 1998 #1 seeded team. The Rough Rider soccer team was a legitimate power in Div. III. Three outstanding senior captains, Bryan Knowles, Tom Leach, and Jamie Scarbrough, led the team. Joe Zabielski (keeper), Floyd McIntyre (striker), and Bryan Knowles were South Shore League All Stars. Bryan also made the Eastern MA All-Star Team. Our success came from an extremely strong team chemistry, huge amounts of hard work, and the team's ability to play from the heart. A thank-you to assistant coach, Bill Burke, for his expertise and enthusiasm throughout the season. Along with our captains, best of luck to our seniors Keith Ripa, Ben Bachert, and Sean Cummings...A very talented team will return. South Shore League, beware! ~Coach Fred Thacher

The 2001-2002 Harwich High School Golf team compiled a 17-3 season record. The team ties for the league championship in its first year in the South Shore League. In the league championship, composed of the top three players from each school, Cody Crowell won by an amazing five strokes. Mike Broderick finished second and Tyler Kett ties for fourth. We lost no one to graduation and are expected to do well in the state championship next year.

## A word from Coach Cheryl Poore:

The 2001 Harwich Field Hockey team distinguished itself with a season of superlative accomplishments: Undefeated League Champions, Undefeated season record, and Division II South Sectional Finalists. Their stingy defense gave up only seven goals and was captained by the dynamic "Deluxe"; Joanna DaLuze and Beth Perry. Their offense was the best in the state and featured the top state scorer, Kirsten Costa.

This team is outstanding in athleticism, basketball talent, youth and work ethic. What makes this team unique is its team chemistry. These young ladies vary greatly in age yet play the game of basketball together, as one team, as well as any basketball team we've had at Harwich High School. This is a team going places and will be a powerhouse in the South Shore League and Eastern Massachusetts in a very short time. They are a pleasure to be a part of.

## 2001-2002 ROUGH RIDER ICE HOCKEY

Varsity ice hockey continues its quest to represent the school in the MIAA tournament. In its fourth season as a co-operative program with sister school Provincetown, the team has matured in friendship, as well as talent. The team is led by senior captains Adam Smith and Tom Leach, and juniors Jared McGuire and Sam Speakman. The Rough Riders are competing in the South Shore League after five years of independent scheduling. We will surely miss our seniors Adam, Tom, Ben Bachert, and Scott Penfield. Also our team managers who have been so helpful and dedicated, Jes Merigan and Lyndsay Gardner will be greatly missed..

Our Junior Varsity club continues to prepare us for a successful future under the direction of assistant coaches Dana DeCosta and Eric Oman.

# enduring **FREEDOM**

Tuesday, September 11, 2001, will be remembered as a tragic day that changed the world. That morning, a plot, masterminded by terrorist Osama bin Laden and the al-Qaeda network, was put into action. Two hijacked commercial airliners were flown into New York City's World Trade Center Towers, ultimately causing their collapse. Immediately following the incident, another hijacked airliner crashed into one side of the Pentagon in Washington, D.C., and a fourth plane crashed in Pennsylvania. Thousands of lives were lost, citizens were terrified and the world was in shock.

Following that mournful day the United States experienced anthrax scares, continued security threats and the reality of war. Despite the horror, fear and heartache, U.S. citizens united and their patriotic spirit soared. President Bush promised: "We will not tire, we will not falter, we will not fail." Through that statement and the remarkable sense of national pride exuded by U.S. citizens, it became evident that no threat, great or small, could deter the United States resolve for enduring freedom.

Thousands of people world-wide donate blood and volunteer their services to aid U.S. recovery.

An overwhelming spirit of unity and national pride arises out of the smoldering ashes and human devastation from the September 11 attacks on the United States.
